LOADING AREA

Please use loading dock 1 & 2. The exhibition centre loading dock facilities are on two levels. Access is via a slip-lane from the south bound lane on Darling Drive. A vehicle inspection check point with a boom gate is located at the bottom of the ramp on Darling Drive. All vehicles must be given permission to proceed to the upper or lower docks. There is also a lane for unauthorised vehicles including those outside the approved access window. Each exhibition hall can be accessed via a 5.6 metres wide x 4.5 metres high loading dock door. For the purpose of move in and move out, exhibitors and display contractors can drive directly onto the loading dock area. No vehicles may be parked in the loading dock and deliveries should be unloaded/loaded as quickly as possible to avoid delays. Whilst on the loading dock and in the venue you will be required to observe and comply with Work Health & Safety Rules including enclosed shoes and safety vest.
